'Sun Valley' Serenade

Sky-high romance on skis takes place between Sonja Henie and John Payne in "Sun Valley Serenade," which opens Sunday at the Redwood Theater. Glenn Miller and his orchestra are featured in the film, and they swing out with seven new smash hits which add to enjoyment of the skating and skiing in the film. Companion feature is "Dr. Kildare's Wedding Day" with Lew Ayres.

Bicycle Rider Fatally Hurt

San Mateo County's traffic toll jumped to 66 for the year with the death Tuesday night of John Stranahan, 82-year-old bicycle rider who died at Community Hospital of injuries suffered the day before when struck by the machine of Edward Serretto, 50 Finger Ave., Redwood City, in Burlingame, according to Coroner W. F. Crosby.

Mr. Stranahan, who lived at 606 San Mateo Dr., San Mateo, was the father of Mrs. Ruby Stone of Millbrae. The funeral will be arranged at Crosby's Mortuary.

Local Man Suffers Lacerations in Crash

Joseph A. Murdock, 319 Fulton St., Redwood City, was treated for laceration of the face Wednesday following a collision on Skyline Blvd. south of San Pedro Valley Rd.

Murdock was riding in a machine driven by Henry A. Harrison Jr., 19, Redwood City, which collided with a truck driven by Emanuel Imbimbo, 47, of San Francisco. Imbimbo was taken to Junipero Serra Hospital. Harrison was unhurt, Villa Sanitarium attaches said.

There are bee hives on the roof of a building off Drury Lane,. London. The bees haunt the parks and square gardens.

Stage Set for Big Livestock Show

A $2,500,000 stage was being set today for the greatest pageant of entertainment the San Francisco area has billed since the gates were closed on Treasure Island.

The stage is the huge "Cow Palace" in Visitacion Valley.

The pageant is the Grand National Livestock Exposition, Horse Show and Rodeo.

And the time is next Saturday, when, at 8:30 a.m., the doors will open and at 7:30 p.m. the curtain will rise on the first performance.

The "Cow Palace" took on the appearance of a mammoth "big top" on circus day today as hundreds of people including exhibitors, lighting and sound engineers, contractors, carpenters, bronco busters, steer wrestlers, arena prop men, herdsmen, hostlers, grooms and exercise boys rushed pell mell around the huge arena building to finish the myriad tasks necessary to open the multi-division spectacle.

THREE-IN-ONE SHOW

For the Grand National is not just one type of a show. It is three national classics rolled into one. And the spectator will partake of all of it at every performance.

Sleek, high-stepping blue-bloods pranced in their box stalls impatient to enter the arena for the Grand National Horse Show, which if given alone would be rated as one of the big tanbark classics of the nation.

Outlaw horses, murderous Brahma bulls, wild longhorn steers and a great aggregation of buckaroo stars were "rarin' to go" in the Grand National Rodeo where many of the 1941 championships will be decided.

Ken Maynard, western movie idol of millions of kids, young and old, was rehearsing a spectacular new riding and shooting performance which will headline supplemental arena acts that would do credit to a first rate circus.

Vanguard of 2163 beef and dairy cattle, sheep and swine were bedded down at tie rings and in pens in readiness for competition in the livestock division, a contest that will make San Francisco one of the big-time livestock show and service centers of the nation.

DAY, NIGHT PROGRAMS

There will be eight evening performances beginning next Saturday and three matinees, one on next Sunday, the second on Thanksgiving afternoon, Nov. 20, and the last on the closing day, Nov. 22.

At each performance the spectators will witness alternate classes of the horse show and rodeo, interspersed with spectacular circus acts. For example, on opening night the program will begin with Pallenberg's Performing Bears. Next event will be Handy Jumpers in the horse show program to be followed by the grand entry and bareback bronc riding class of the rodeo. Then will come Mark Smith's famous Black and White Horse Act after which single hackney ponies with ladies driving will be shown. And so it goes throughout the evening.

General admission seats for the entire show are 55 cents; reserved seats $1.10 and $1.65 and box seats, $2.20, including tax.

Frank O'Connell Dies At Menlo Park Home

Following a brief illness, F. J. O'Connell died Wednesday morning at his residence on Santa Cruz Ave., Menlo Park. He was 75.

Surviving are his wife, Alma O'Connell of Menlo Park, and two stepchildren, John Reibling and Mrs. Mable Schnieder of San Francisco.

Mr. O'Connell was a native of San Francisco. He was the brother of the late Robert O'Connell of Redwood City and uncle of Postmaster Robert E. O'Connell.

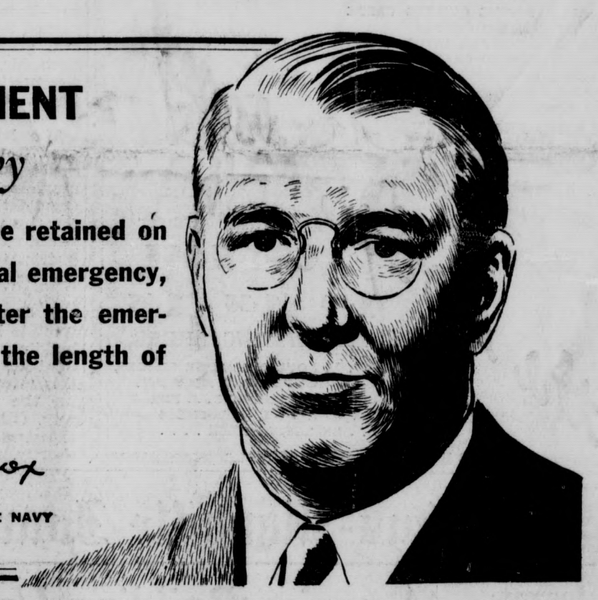
Are you considering joining a MILITARY SERVICE?

Why not choose the NAVAL RESERVE!

AN IMPORTANT ANNOUNCEMENT
by the Secretary of the Navy

"All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared, regardless of the length of time remaining in their enlistment."

Frank Knox
SECRETARY OF THE NAVY



HERE IS THE OPPORTUNITY THAT THOUSANDS OF MEN HAVE BEEN LOOKING FOR

Here is your opportunity to have all the advantages and privileges of Navy life but with a shorter enlistment.

Many men do not realize—but it is a fact—that your pay, your training, and your chances for advancement in the Naval Reserve are exactly the same as in the Navy itself.

FREE TRAINING WORTH $1500

Take your own case. Let's assume that you have had no special training. In that case here is your opportunity to learn one of the Navy's 45 big-pay trades, from aviation engineering to radio. You may receive training worth $1500 the first year alone. In addition you get *all* the advantages listed in the second column of this announcement.

HIGHER PAY OPPORTUNITIES

But perhaps you have had special training or know a trade. In that case the Naval Reserve offers you the opportunity to use your knowledge. If you qualify (high school or college not necessary), you can join as a petty officer right away—with higher pay and allowances.

Also, if you have two or more years of college credits, there are special opportunities to become a Naval aviator or a commissioned officer.

LOOK WHAT THE U. S. NAVAL RESERVE OFFERS YOU

FREE TRAINING worth $1500. Nearly 50 trades and vocations to choose from.

GOOD PAY with regular increases. You may earn up to $126 a month.

EACH YEAR you are entitled to a generous vacation period, with full pay.

GOOD FOOD and plenty of it.

FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over $100 worth.)

FREE MEDICAL CARE, including regular dental attention.

FINEST SPORTS and entertainment any man could ask for.

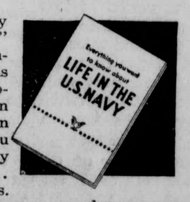
TRAVEL, ADVENTURE, THRILLS—You can't beat the Navy for them!

BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.

FUTURE SUCCESS. It's easy for Navy trained men to get good-paying jobs in civil life.

In any case, it is your chance of a lifetime to lead a healthy, exciting life . . . your chance to travel . . . and at the same time build a solid foundation for your future. There is nothing better than modern Navy Training for a successful career in civil life.

Get this FREE booklet



Mail coupon for your free copy of "Life in the U. S. Navy." 24 pages, fully illustrated. It answers all your questions. Tells what your pay will be . . . promotions and vacations you can expect . . . how you can retire on a life income. Describes how you can learn any one of 45 big-pay trades from aviation to radio . . . how many may become officers. 27 scenes from Navy life showing sports and games you may play, ships you may be assigned to, exciting ports you may visit. Tells enlistment requirements and where to apply. If you are between 17 and 31 (no high school required), get this free book now. No obligation. Ask the Navy editor of this paper for a copy. Or telephone him. Or mail him the coupon. You can paste it on a penny postal card.

WEAR THIS BADGE OF HONOR! If after reading the free booklet you decide to apply for a place in the Navy, you will receive this smart lapel-emblem. It is a badge of honor you will be proud to wear.

★ SERVE YOUR COUNTRY
★ BUILD YOUR FUTURE
★ GET IN THE NAVY NOW

Tear out and take or send this coupon to the Navy Editor of this newspaper Cs

Without obligation on my part whatsoever, please send me free booklet, "Life in the Navy," giving full details about the opportunities for men in the Navy or Naval Reserve.

MENLO PARK NEWS NOTES

BY. D. E. O'KEEFE

MENLO PARK — Shooting on the local marsh has improved during the past week. Hunters report securing the limit of sprig and teal. Several large flocks of gray geese have made their appearance but few have been shot.

★ ★ ★

Work of moving back houses on the highway north of Oak Grove Ave. was begun this week. It is reported that all the buildings in the business zone will be put back by the first of the year.

★ ★ ★

Billy Cook, the famous young actor, is home from Hollywood, staying with his parents. He will appear on the local stage before returning south. Billy, as a youngster, attended grammar school here when his father was in business in Menlo Park.

★ ★ ★

Several flocks of wild pigeons have been seen recently on the Flood property. The farmer of old always contended that this early flight of the birds was a sure omen of a rainy season.

★ ★ ★

The municipal election of next April promises to be a lively affair. Two prominent citizens of Stanford Park are being groomed for places on the board of trustees. Their names will be mentioned next week. They will begin their campaigns right after the first of the year.

★ ★ ★

On Sunday the baby son of Mr. and Mrs. William Hawkins was baptized in the Church of the Nativity in Menlo Park. The christening dress worn by the baby was the same fine handkerchief linen and lace worn by Mrs. Hawkins when she was christened in the same church by Father McKeon. Mrs. Hawkins' cousin, Rev. James L. Spooncer of Mountain View, officiated at the ceremony. Joe Maloney and Mrs. Jack Fisher, uncle and aunt of the baby, acted as sponsors. A reception was held at the home of Mrs. Frances E. Maloney after the services. Four generations were present: great grandmother Mary Foley of San Francisco, grandmother, Mrs. Frances E. Maloney, and the child's mother. Mr. and Mrs. William Hawkins Sr. also were present.

★ ★ ★

The last will and testament of the late Meta Kugeler has been filed for probate in Redwood City. By the terms of the will, her home here was given in equal shares to her two sisters. The remainder of the estate was left to three nieces and a nephew in San Francisco. The estate is valued in excess of $10,000. The deceased inherited the most of the property from her mother, the late Mrs. Coxin. A valuable parcel of business property in Mayfield is the principal holding.

★ ★ ★

Several new homes were started this week on the Flood property. They will average $8000 each. It is believed that there will be a building boom in that subdivision in the Spring.

★ ★ ★

D. L. Dimmond, Atherton, and well-known in Menlo Park, was named foreman of the new federal grand jury in San Francisco. Mr. Dimmond is assistant vice president of the Anglo California National Bank.

★ ★ ★

The latest news around the city hall is there will be a fusion ticket placed in the field at the municipal election next April. Candidates are being groomed for the race for the four trusteeships. Every section of the district is to be represented on the ballot.

★ ★ ★

E. Quale has awarded a contract to Kelly Brothers to move buildings back from El Camino Real for $1875. All structures on this street must be moved back, for the widening of the highway. Other property owners on the street must do likewise very shortly.

520 RAMONA—PALO ALTO

Here's a Fairly Sure Way To Make Money

MINNEAPOLIS (AP)—Have you heard the latest in smart money bets? Before the football season started some Minneapolis gentry offered to wager that Minnesota's score for the season, added together, would be more than the scores of the Gophers' rivals when multiplied.

It was Minnesota 14, Washington 6; then Minnesota 34, Illinois 6. That made it 48 for Minnesota, 36 for the opponents. But Pitt came next, the score was 39-0, and ever since those smart gents have been demanding a payoff. Their argument—that 36 times 0 still is 0, and 0 times any figure remains 0.

Expenditures for industrial construction this year are estimated by the Department of Commerce at a billion and a half dollars, an all-time high.

PUBLIC NOTICES

Brobeck, Phleger & Harrison, Attys.
NOTICE OF HEARING PETITION FOR ORDER GRANTING AUTHORITY TO BORROW MONEY AND EXECUTE NOTE AND DEED OF TRUST
No. 5580—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of JOSEPH M. MACDONOUGH, Deceased.

NOTICE IS HEREBY GIVEN that DENT W. MACDONOUGH, as Administrator with the Will Annexed of the Estate of Joseph M. Macdonough, deceased, has filed herein his verified Petition for an order granting authority to borrow money and execute a note and deed of trust, namely: to borrow $54,000, which is to be payable in monthly instalments of not less than $350 each, which are to be paid as follows: an instalment of $350 on the 1st day of December, 1941, an instalment of $350 on the first day of each and every month thereafter, to and including the 1st day of October, 1946, and on the 12th day of November, 1946, the balance of said principal sum and interest then remaining unpaid; and to be secured by a deed of trust on the property hereinafter described as follows, to-wit:

All that certain real property situate, lying and being in the City of Palo Alto, County of Santa Clara, State of California, described as:

PARCEL ONE. All of Lots 1, 2 and 3 in Block 37, as shown upon that certain map entitled "Map of Nelson J. Bird's Subdivision of Block No. 37 University Park, Santa Clara County," which map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on April 3, 1889, in Volume "D" of Maps, at page 89.

PARCEL TWO. All of Lots 52, 53, 54 and 55 as shown upon that certain map entitled "Map of Nelson J. Bird's Subdivision of Block No. 42 University Park Santa Clara County," which map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on November 23, 1889, in Book "D" of Maps, at page 149.

And also all that certain property in the City and County of San Francisco, State of California, described as:

PARCEL ONE. BEGINNING at the point of intersection of the Northerly line of Bush Street with the Westerly line of Kearny Street; and running thence Northerly along said Westerly line of Kearny Street fifty-two (52) feet six (6) inches; thence at a right angle Westerly thirty-nine (39) feet two (2) inches to the Easterly line of St. George Alley; thence at a right angle Southerly along said Easterly line of St. George Alley fifty-two (52) feet six (6) inches to the Northerly line of Bush Street; and thence at a right angle Easterly along the Northerly line of Bush Street thirty-nine (39) feet two (2) inches to the point of beginning. Being portion of 50 Vara Block No. 94.

PARCEL TWO. BEGINNING at the point of intersection of the Southerly line of Fifteenth Street and the Westerly line of Valencia Street; running thence Southerly along the Westerly line of Valencia Street forty (40) feet; thence at a right angle Westerly one hundred thirty-seven (137) feet six (6) inches; thence at a right angle Northerly forty (40) feet to the Southerly line of Fifteenth Street; thence at a right angle Easterly along said Southerly line of Fifteenth Street one hundred thirty-seven (137) feet six (6) inches to the point of beginning. Being portion of Mission Block No. 36,

and that Monday, the 17th day of November, 1941, at the hour of ten o'clock A. M., and the Court Room of this Court, Department No. 2 thereof, in the County Court House, in Redwood City, County of San Mateo, State of California, have been appointed and fixed as the day, time and place for the hearing of the same, and all persons interested are hereby notified to appear at said time and place to show cause, if any they have, why said Petition should not be granted. For further particulars, reference is hereby especially made to the said verified Petition now on file herein.

$10,000 Highway Project Lost

Upward revision of the California Highway Commission's 1941-43 budget will result in the loss of one highway improvement project for San Mateo County.

Listed among the projects deferred by the revision is the improvement of portions of Highway 56 between Tunitas and Half Moon Bay. $10,000 had been budgeted for this work.

Revision of the budget became necessary when construction penditure of $93,810,000.

The difference between the old and new budgets is the amount of revenue in excess of anticipated income estimated at the time the budget was drawn. The gas tax alone contributed $2,500,000 more than was excosts increased far beyond the basis of budgetary estimates. The highway commissioners threw out the original budget for $90,600,00 and adopted a new one calling for a two-year expected.

The commission deferred 34 projects in Northern California and 33 in the South. At the same time, 34 new Northern California projects were added to the budget.

State Hwy. Engineer Charles H. Purcell reported to the commission that the state stands to get $40,000,000 in federal funds for military highway construction and virtually everything else will be pushed aside in favor of the defense program.

PARKING LOT GRADED

Workmen here were clearing, grading and filling the vacant lot on California St. at Montgomery, across the street from the Tribune office, which the City of Redwood City is preparing for a public parking lot for convenience of shoppers. The lot is owned by A. B. Cheatham, who has given the city the use of it.

83 YEARS OF SERVICE TO HOMES AND INDUSTRY

Johns-Manville Journal

JOHNS MANVILLE JM PRODUCTS

Big Increase In J-M Taxes

For the three months ended September 30, 1941, profits of Johns-Manville Corporation, after taxes, were 10 per cent below profits for the same period of 1940 while payrolls increased 50 per cent and sales increased 57 per cent, according to a report made public recently by Lewis H. Brown, president.

Salaries and wages for the third quarter of the year totaled $8,273,561, compared to $5,507,575 for the corresponding period of 1940. This increase was due to higher wages, large gains in the number of employees, overtime payments and so forth.

Sales of $25,941,410 for the third quarter of 1941 compared to $16,524,491 for the same period of 1940, an increase of 57 per cent. Primarily because of greatly increased taxes profits fell despite these record sales.

Provisions for all kinds of taxes for the third quarter of 1941 are $4,211,978, or almost three times the amount for the same period of 1940. For the first nine months of the year provisions for taxes are $9,567,602, which is also about three times the amount for the same period of 1940.

America Building Up Defense For Freedom From Dictators

Sacrifice Vital Now To Protect Liberty

Let's line up stronger than anybody in the world for defense now.

And let's be sure that everybody understands the reason why we're doing it. We're doing it to protect our freedom—so we'll always be allowed to work where we please, live as we please and buy what we please in true American fashion.

Of course we'll have to make sacrifices now. For that matter we're already beginning to feel the pinch. We can't buy some of the things we need or want. Our relatives and friends are in the Army and Navy and we're inconvenienced about it. We're getting a taste of what living is like under a dictatorship. But it's only a taste.

It has to be that way in a democracy during wartime. In a dictatorship it has to be that way all the time.

This battle for freedom has two fronts. On the foreign front we must see that the dictators do not control the world. On the home front we must see that nobody in this country tries to set up a dictatorship here.

Let's not forget that the free countries provide the most for the average man.

Before the war here's how many pounds of bread one hour's work would buy in different countries: America, 7.5 pounds; Britain, 5.2 pounds; France, 5; Belgium, 4.9; Italy, 2.8; Germany, 2.5, and Russia, 1.9.

Democracies Provide The Most Comforts

Most of the comforts and convenience of American life are the products of free development of industry. Experience proves that industry cannot produce the standard of living enjoyed by all Americans unless that industry is a free industry.

J-M FAMILY ALBUM

GUARDING PRODUCTION LINES—American industry must be on its toes these days to keep prowlers and unauthorized persons from entering plants and to guard against acts of sabotage and injuries to workers. At all J-M plants employees wear identification badges which they must show to gain admittance to their work. There are no exceptions. Above, John Gray is shown giving the "password to defense production" to Jack Landers, watchman, at J-M's Waukegan, Ill., plant.

INQUESTS SCHEDULED

Two inquests will be held at Franklin & Crowe Mortuary in Redwood City at 10 a.m. Friday, Coroner William F. Crosby announced today. They will be into the deaths of Arthur Martin, pedestrian killed in Redwood City Oct. 25, and William MacLeod, 16, of San Bruno, killed in a North Burlingame collision Oct. 28.

Argentina is one of the largest import markets for iron and steel products.

'Good Neighbor' Policy Featured at Luncheon

Strong Spanish colors, the brightness of oranges and loquats, the green and gold of date palms, the bright scarlet of geraniums and peppers—if it hadn't been for the "See South America" travel posters on the walls, imagination would have put the more than 150 persons present in the continent to the south. And that was the purpose of yesterday's annual anniversary luncheon of the women of the Congregational Church.

Stressing a "good neighborly" theme, the luncheon employed the Pan American motif even to the menu.

NEWS FLASHES BEST LIKED

Guest speaker for the day, E. T. Buck Harris, took the material for his talk on "The Other Americas" from his experience as director of KGEI, the only short wave station west of the Mississippi that communicates with South America and the Orient. Broadcasts in five languages, Spanish, Dutch, French and two Chinese dialects (for oriental broadcasts both Cantonese and Mandarin must be used) daily emanate from KGEI. Our Latin-American friends, according to Mr. Harris, especially like news broadcasts, which are followed in favor by musical, fashion and "advice in answer to questions," or mailbag programs.

Sharing the program, Mrs. Clara I. Sirex, accompanied by Mrs. Philip Bray, kept her vocal offerings within the theme, singing "Carmela" and "All My Love." The devotions, led by Mrs. Charles E. Ward, also emphasized "good neighborliness."

AUTHENTIC DECORATIONS

Serapes, sombreros and gay flowers adorned the walls of the church social room, but the cynosure of all eyes was the table decorations. Especially eye-catching was one red, blue and yellow table set with Colombian articles, donated by Miss Martha Tinker. On another a floral map of South America, made of autumnal-colored pompon chrysanthemums, proved a geographical refresher. An Argentinian centerpiece employed gaucho's boots, hides and wheat plumes. A miniature coffee plantation, a patio scene, centerpieces of begonias and fruit and vegetables vied in a riot of color for attention.

Perfumes, cosmetics and other toilet preparations valued at more than 150 millions of dollars are manufactured annually in more than 500 factories, according to the census bureau.

Roller Skating Club To Sponsor Night at Rink

'Round and 'round they'll go—the Menlo Top-Hatters at the roller skating party they'll give Tuesday at 7 p.m. at the Menlo Roller Rink. The skating club will take over the rink for the evening in order to raise funds for their club.

Special attractions to draw the public that evening will include games and exhibition skaters from San Francisco and Santa Cruz. Local merchants have donated prizes for the games and for the skaters that require a show of skill. Admission will be 35 cents.

President of the club is Charles (Chuck) Young of Mountain View, who will act as master of the rink that evening; Mrs. William Dowling of Menlo Park is vice president and Mrs. Harold Linder of Redwood City is treasurer.

A freak variety of cotton that is green instead of white is now being used to make floor wax.

Redwood City Schools

Visits From Public Urged

* * * * * * * * * * * *

McKinley Honor Roll Out

With the observance of American Education Week, Nov. 9-15, Supt. of Schools Andrew Spinas today extended an invitation to the public to visit Redwood City elementary schools any time this week. The same invitation was extended by Supt. A. C. Argo at Sequoia High School.

Although there will be no special events, schools are holding open house for parents and friends to see classes during their regular work.

Special events are being saved for celebration of Public Schools Week, later in the year.

American Education Week, a national observance, was first inaugurated in 1921 and takes for its purpose the acquainting of the public with the needs, aims and achievements of the schools. Sponsors are the National Education Association, the American Legion, the United States Office of Education and the National Congress of Parents and Teachers.

With more than 30,000,000 persons enrolled in public schools and colleges, the week will take as daily topics such problems as seeking world order, building physical fitness, strengthening national morale, improving economic wellbeing, safeguarding school support, learning the ways of democracy and enriching family life.

Interesting facts which will be highlighted by the sponsors this year include the low cost of public education, averaging 10 cents a day to each person of voting age, and the work of the nation's vocational schools, which trained over a million defense workers between July, 1940, and July, 1941, in addition to regular enrollments.

Honor roll students of McKinley Intermediate School for the first report card period were announced today by Ralph T. Case, principal, who explained that selections were made on the basis of citizenship and scholarship. They are as follows:

Eight B class—Esther Bass, Patsy Duttweiler, Romona Gomez, Lorraine Evana, Tomiho Kasai, Alberta Rinke, Maurine Rouse, Patricia Small, Helen Ridge, Donald Blum, Albert Gong, Bruce Johnson, Edward Graham, Henry Thomsen, Carolie Pace, Anita Ramirez, Wilma Stevens, Shirley Van Herwynen, Kenneth Adam, Richard Paulino, Louie Romano.

Eight A class—Patsy Belton, Clara Buell, Marjorie Friend, Marie Kinney, Lillian Martin, Lorraine Thomas, Irene Winnick, Hans Jacobsen, Wilbur Johnson, David Stott, John Van Benthem, Margaret Bloxham, Mary Chang, Ellarine Langdon, Stanley Cottrell, Frank Sweetman, Philip Zuitman, Peggy Cada, Marion Canfield, Harriet Cology, Pauline Hawkinberry, Millicent Prine, Eleanor Johnson, Carol Lee Ratliff, Setsuko Yamoni, Betty Davis, Alma Tanze, Charles Koff.

Clarrissa Hubbard, Alphonso Roman, Everett Rockhold, Kenneth Anderson, Kei Nakano, Dolly Nunes, Margaret Parker, Margaret Silva, Rebecca Thompson, Dorothy Long.

Seven B class—Marjorie Christofferson, Gwendolyn Fitzpatrick, Emiko Higaki, Lorraine Inouye, Fred Burbank, Richard Elliott, Billy Janssen, Joseph Rodriguez, Fernando Ruiz, Arbis Shipley, Merlyn Uhlenberg, Nancy Bunney, Francis Hart, Joan Locker, Anne Petrucci, David Savidge, Alan Bydgness.

Seven A class—Catherine Bullis, Barbara Lee Champion, Dorothy Thieme, Priscilla Snyder, Robert Graham, Edward Leon, Alfred Paolucci, Robert Stenson, Mary Molina, Josephine Paulino, Joyce Schneider, Dolores Barrientos, Beverly Brand, Beverly Dobbyn, Arlene Ellis, Anabel Eva, Dorothy Fitzmaurice, Geraldine Gibbs, Margaret Hofheing, Patricia Jeffrey, Medora Vaux Mervy, Gelsomina Smith, Rachael Warshavsky.

Bard Berry, Joseph Hernandez, Bob Langston, Johnny Martin, Bob Werner, Nancy Christiansen, Roseline La Fayette, Luella Lang, Barbara Tracy, Hideko Yamane, Bonnie Williamson, Nicholas Antonoff, Tommy Tennant, Glenn Carlson, Ed Crossley.

San Mateo Court's Status Involved in Suit

A suit designed to force the elevation of the justice court in San Mateo from a class B court to class A was filed in superior court here Monday.

The friendly suit was brought by John Hoey against Justice of the Peace Hugh F. Mullin Jr.

Hoey's suit seeks a writ of mandate forcing Mullen to hear a $624 case on the grounds that the area served by his court now has a population in excess of 30,000, which gives it the status of a class A court.

Population of the area which includes San Mateo, Belmont, San Carlos and Hillsborough was 28,437 according to the U. S. census of 1940. Hoey contends that the township has grown since the census to the point where it exceeds 30,000 and, therefore, the court is entitled to class A status.

A similar suit recently elevated the status of the Redwood City Justice Court which is presided over by Edward I. McAuliffe.

Only 11 per cent of Argentina is actually under cultivation, yet over 95 per cent of its exports are comprised of agriculture and pastoral products, according to a booklet issued by the Pan American Union.

Pescadero Pair Hurt As Car Jumps Bank

Mr. and Mrs. Edwin S. Williman of Pescadero are being treated in Palo Alto Hospital for injuries received Monday when their automobile went over a 25-foot embankment on Ocean Shore Rd. between Pebble Beach and Bean Hollow.

Both Williman, who is principal at Pescadero High School, and his wife suffered fractured ribs, cuts and bruises.

Film Actors Expected At Palo Alto Meeting

PALO ALTO—With a cast of 16 Hollywood film actors and writers appearing in a dramatic skit as the headline feature, the newly-organized Palo Alto chapter of the Fight for Freedom Committee will hold its first public meeting Sunday afternoon. The rally will be held in Palo Alto High School Auditorium, it was announced today by Mrs. Charles Wayland, chairman of the Palo Alto chapter.

Appearing in the dramatic skit, "Fight Night: Hollywood vs. Hitler," will be Melvyn Douglas, James Gleason, Russell Gleason, Mary McCall Jr., Ralph Morgan, Anthony Veiller, John Shepperd, Helen Gahagan, Benny Ruben, Charles Holland and others.

Other entertainment features are also being planned for the meeting, declared Mrs. Wayland, and speaking will be held to a minimum. Among those who will make brief talks will be Archibald MacPhail, director of Fight for Freedom activities in the 11 western states.

Preventorium Workshop Planned From Benefit

What could be more natural than for a real boy to want a work bench and the tools which go with it where he could spend many happy, constructive hours building ship and airplane models and other what-nots appealing to a creative mind?

Well, there are real boys in San Mateo County's Preventorium and they do their bit of daydreaming, and what is more their fondest dream is about to be realized.

Under the auspices of Burlingame Lodge, Knights of Pythias, an organization noted for many kindly acts in behalf of the preventorium children, a whist party will be staged Friday night at San Mateo Masonic Hall, proceeds to go toward construction of a work shop for the preventorium boys.

The total number of deaths from air bombings in England in 1940 was 23,081.

New Addresses

New addresses on file with the city water department include: J. E. Lawless, 246 King St.; C. W. Kates, 507 Ruby St.; Leonard Salvato, 633 Pine St.; Anita Sherman, 542 Vera Ave.; George E. Townsend, 20 Grand St.; Mrs. Frank Kane, 329 Spring St.; Guy Bunch, 2090 Broadway; K. F. Koenig, 680 Alameda de las Pulgas; J. Spoon, Park Rd.; Mrs. L. F. Puckett, Jefferson Ave.; James B. Childers, 221 Madison Ave.; Earl Wilcox, 526 Vera Ave.; P. F. Farina, 543 Manzanita Ave.; G. E. Pringle, Oakview Way; Richard Coombs, 1604 Brewster Ave.; R. W. Bassett, 429 Jackson St.; Mrs. E. Lovelady, 521 Stambaugh St.; M. E. Zeigner, 426 Iris St., and M. A. Phillips, 439 Oak Ave.

Total exports of all aeronautical equipment to the British amounted to more than $284,000,000 during first seven months of 1941, according to Aeronautical Chamber of Commerce.

GUN GIFT OF HUDSON DEALERS TO NAVY

Hudson distributors and dealers all over the country played their own patriotic part in the recent dedication of the new U. S. Naval Ordnance Plant near Detroit by presenting to the United States Navy the first Oerlikon 20 mm. anti-aircraft machine gun produced and assembled in the huge plant which Hudson built and will operate for the Navy Department. The gun was officially presented to the Navy on behalf of the Hudson dealer body by President A. E. Barit and George H. Pratt, General Sales Manager of the Hudson Motor Car Company. Pictured above with the gun at the plant dedication ceremonies are, left to right, Secretary of the Navy Frank Knox, Mr. Barit, Rear Admiral W. H. P. Blandy, Chief of the Bureau of Ordnance and Mr. Pratt. The gun has passed its firing tests and will be placed in service where it is most needed, according to Navy officials.

The United States imported 662,577 pounds of inedible tallow during the second quarter of 1940.

Ninety-three per cent of the telephones in the world can be reached from one telephone in this country.

Most popular size plywood panels used for building walls are those 4x8 feet; each panel covers 32 square feet of area.

Annual Church Observance

'No Blackout of the Cross' Theme of Sunday Services

Protestant churches of Redwood City are co-operating in plans for the 11th annual observance of Men and Missions Sunday on Nov. 16, it was announced today by Dr. Charles E. Ward, pastor of the First Congregational Church, who is local chairman.

This is an interdenominational movement of laymen with headquarters in Chicago. Their slogan this year is "No Blackout of the Cross" and more than 2000 communities throughout the nation and nearly 40,000 churches will co-operate.

Purpose of this observance is to interest more laymen in the Christian enterprise and to secure their active efforts to keep the "cross of Jesus going on before," Dr. Ward explained. The first observance of this day was on Nov. 15, 1931, in some 500 cities. Last year 1722 cities participated and it is expected the number this year will reach 2000.

Dr. Ward recalled that the first president of the U. S. Chamber of Commerce, Harry A. Wheeler, is now treasurer of this laymen's missionary movement. He recently said:

"Two universal trends stand out today as though written in letters of fire against the black background of hate, suspicion, greed, and inhumanity into which the whole world is being driven by war: (1) The spirit of brotherhood is being crushed by political domination over the lives of the governed; (2) The philosophy of the World's Greatest Teacher is being trampled under foot, while the philosophy of brute force is being exalted. The highest principles of human life are brotherhood and righteousness and the practice of these may reverse this trend."

"All churches of our community are invited to join in this effort to see that there is 'no blackout of the cross'," Dr. Ward declared.

Care Urged in Buying Watercress on Market

SAN FRANCISCO (AP)—Dr. J. C. Geiger, city health director, has warned the public to be careful in purchasing watercress for home use in retail stores because, he said, some has been gathered by itinerants from banks of sewage-polluted water sources in the immediate vicinity of San Francisco.

Dr. Geiger said a health board hearing disclosed that a wholesaler accused of selling polluted watercress to a large restaurant had bought it from an itinerant who had gathered it along the banks of a creek in San Mateo County which contained sewage.

He reported the contaminated vegetable might carry the organism of typhoid fever or other disease.

Ammonia is vital to the making of military explosives.

Federal Auto Tax Payable Next February

Motorists will pay the new federal use tax of $5 on every car to the collector of internal revenue in each district, according to advices received by the California State Automobile Association from Washington, D. C.

Registered owners will be notified by mail about the first of the coming year, according to present plans, and a payment of $2.09 will become due Feb. 1. Payment of $5 for a full year will become due July 1, 1942. Payment of $2.09, or five-twelfths of $5 covering February, March, April, May and June, places the tax on a fiscal year basis.

Evidence of payment of the tax will be in the form of a revenue sticker which must be displayed on each vehicle.

The law provides that every motor vehicle registered and used on the public highways, regardless of age or original cost, shall be subject to the tax of $5 per year.

Chevassus To Head Improvement Club

Gustav Chevassus was elected president of the Highlands District Improvement Club Monday night when directors of the club held their annual meeting at the home of A. J. Bullerdieck in North Park Rd.

Other officers elected were Stanley Perkins, H. R. Chapin and W. R. Kielty, vice presidents, and Earle Palmer, secretary-treasurer.

Richard tum Suden, retiring president, was given a vote of appreciation for the work he did while holding the office for the past two years.

Bullerdieck reported that the county road department had completed improvement work on Oak View Way and that other urgent repairs would be made to roads in the district as soon as possible.

An active campaign to bring the membership list up to date and to add new members will be undertaken during the coming year, it was decided.

Flying Club Hangars Plane at San Carlos

The Comet Flying Club of Redwood City and Palo Alto now has its 50-horsepower cub airplane hangared at the new San Carlos Airport. Purpose of the club is to provide aircraft at low cost for members. There are now two vacant memberships. Limit is 10. anyone interested may call Graham Hone (Redwood 2213) or H. E. Vandervoort (Palo Alto 21885).

Richard tum Suden, retiring president, was given a vote of appreciation for the work he did while holding the office for the past two years.

Bullerdieck reported that the county road department had completed improvement work on Oak View Way and that other urgent repairs would be made to roads in the district as soon as possible.

An active campaign to bring the membership list up to date and to add new members will be undertaken during the coming year, it was decided.

had need for a boy.

"Billy persisted in refusing to accept the part, although I knew he'd be ideal in the role. After I had tried every inducement and they had all failed, I finally told him he would be excused from drying dishes for a week if he would play the part. That did it."

Billy took to acting like the proverbial duck takes to water, and Mrs. Cook was so encouraged that she took him to Hollywood. The lad was soon given a screen test and won an important role in the film, "Men with Wings."

Club's Disbanding

Local Commuters Urge Burlingame To Continue

Keen disappointment was expressed by Redwood City Commuters Club directors here in the announcement that the Burlingame Commuters Club was disbanding, at least temporarily.

Pres. W. B. Curran, head of the county seat organization, which was the first one formed on the Peninsula, said directors of his organization were disappointed, although not surprised, and felt the Burlingame members should not allow their activities to cease.

"We have known for some time," he said, "that the Burlingame club had almost ceased functioning. As a matter of fact, we had offered to hold a joint meeting with the Burlingame club to determine if that club might obtain anything of value to its existence from our experience."

He pointed out that activities of the various commuters clubs had been co-ordinated through a central committee so that added strength was given to commuters to aid them in any cause. Another director of the Redwood City club, which was instrumental in the forming of the other Peninsula commuter organizations, expressed his concern that any organization "with such a worthy program of activity" should find it necessary to dissolve because of lack of support. Curran said he further stated: "The purpose for which these clubs were organized have stimulated active interest among men from all walks of life since in the final analysis, whether they be civic or transportation problems, concern is fairly evenly distributed without regard to station."

It was pointed out that while some Peninsula clubs had been comparatively unsuccessful, the Redwood City club was continually growing in strength and acceptance.

"It seems to me the trend is indicated by the fact that several other localities have asked our assistance in organizing commuter clubs and we plan to render such assistance soon," Curran said. "The Redwood City club feels that the Burlingame club can still be salvaged; that it has undertaken to offer services to the community, and that these responsibilities should not be cast aside without further effort to survive."

Rezoning Delayed By Planning Board

Action on a move to rezone property at Chestnut St. and Middlefield Rd. from a business to second residential classification was deferred until Dec. 8 by the Redwood City Planning Commission Monday.

The matter was taken up by the commission at the request of the city council after it was pointed out that the property had been excepted from the residential zone some eight years ago. Because it never has been used for the purpose for which it was reserved—a service station—the council wants it reclassified to conform with the adjacent area.

Action also was deferred on a request for a driveway at a service station at Center St. and El Camino Real. Dec. 8 was set as the date for a public hearing on a request filed by David Holder for rezoning of property at Middlefield Rd. and Manzanita St. from residential to business classification.

Fundamentals Learned In Army, Speaker Says

Although equipment for the rapidly-growing U. S. Army is inadequate, selective service men in the defense forces are learning fundamentals and also are learning "how to live in army camps," F. E. (Forry) O'Connell told the Exchange Club Tuesday night when asked the question: "Why an Army?"

O'Connell, who recently returned after spending seven months in the Armored Force Division of the U. S. Army at Fort Knox, Ky., described his induction and the "leveling off" experiences he went through as men of all strata in life are taught to live together, and told of the extent of the armored division, which started at Fort Knox and now has units in Georgia, Louisiana, New York, and soon will have additional ones. From the 12,000 men in the first unit, there shortly will be 120,000 men in 10 units, he said.

He described these men, who are learning to use tanks, armored cars, machine guns and similar equipment as America's "blitzkriegers" or "panzer" divisions who will be called upon to lead the land attacks if the United States gets into war.

As to army morale, O'Connell expressed the opinion that despite much "beefing" on the part of the selectees, "the selective service men are pretty well satisfied."

"Most of them didn't want to join," he conceded, "but once in, 99 per cent of them made the most of it and did the best they could."

Civic League Manager Files Damage Action

Winfield Scott of Atherton, secretary-manager of the San Mateo County Civic League, has filed suit in superior court for $10,000 damages he alleges he suffered when he was struck down by an automobile driven by Adolph B. Hurliman.

Scott, according to his complaint, was walking across Middlefield Rd., in Redwood City on May 31 when he was run down by an automobile driven by Hurliman.

Isaac Porter Hurt When Struck by Auto

Isaac Porter, 55, of Fifth Ave., Redwood City, suffered abrasions on the face and hands last night when he was struck by an automobile driven by Ina E. Nelson of Rt. 1, Menlo Park, on El Camino Real between Santa Cruz and Oak Grove Aves.

According to Menlo Park police, Porter had started to walk across the highway in the middle of the block when he was struck. He was treated at Palo Alto Hospital.

The United States sold Africa $127,000,000 worth of goods in 1940.

Mrs. R. L. Squires Is Taken by Death

Mrs. Helen E. Squires of Eaton Ave., Redwood City, wife of Robert Lee Squires, owner of Young Drug Stores in Redwood City, Palo Alto and San Carlos, died Monday at Palo Alto Hospital.

Mrs. Squires, who was 46, had been ill of a heart ailment for the past year. Friday she entered the hospital for an operation, which was performed that evening, but she failed to rally and passed away at 10:10 o'clock last evening.

A resident of this city for 15 years, Mrs. Squires was well known here. She belonged to the Redwood City Woman's Club and to the Delphian Club. Had she lived, she and Mr. Squires would have celebrated their 25th wedding anniversary next April. They have three children, Mrs. Alvin Codiga of San Carlos and Adrian May and Nancy Ann Squires of Redwood City. Mrs. Squires' parents are Dr. and Mrs. William Harvey of San Carlos. He is a San Francisco physician. Mrs. Squires was the sister of Mrs. E. E. Purrington of Redwood City and W. Wesley Harvey of Corning.

Former R. C. Resident Dies at Santa Cruz

E. E. Watts, retired foreign mail inspector who made his home in Redwood City until three years ago, was buried in Santa Cruz Saturday afternoon. He died on Thursday at St. George's Hotel in Santa Cruz.

Mr. Watts and his wife lived on Hillview Ave. here before moving to Santa Cruz. Mrs. Watts died last July.

News of The YMCA

(A Community Chest Agency)

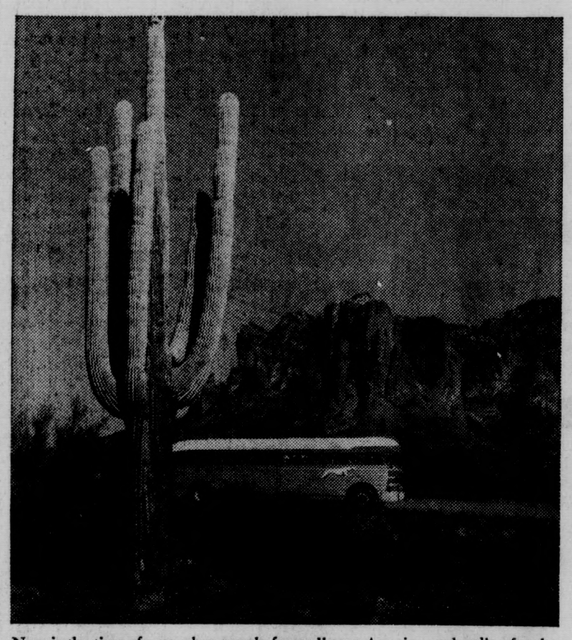
On Saturday, Palo Alto will be host to 1000 boys from Northern California in a Boys' Day rally to be staged by the YMCA.

An all-day program has been planned to begin with assembly at El Camino Field, a morning program in Stanford Theater, a picnic lunch at noon and attendance at the Stanford-Washington State football game in the afternoon.

A charge of 25 cents will be made for a combination ticket that will take care of the theater entertainment and the football game. Each boy is requested to bring his own lunch.

For the local contingent, buses will leave McKinley School in Redwood City Saturday at 8:45 a.m. The boys will parade from El Camino Field to the theater and also will stage a procession to the football game.

COLORFUL SOUTHWEST IS AT ITS BEST



Now is the time of year when people from all over America are heading for the Colorful Southwest to enjoy the abundant sunshine and the famous winter resorts, dude ranches, national parks and countless scenic attractions. Above is shown Superstition Mountain in Arizona, a giant cactus and one of Greyhound's luxurious new Super-Coaches. Greyhound serves all of the fascinating Southwest over a network of scenic routes, bringing this interesting country within a day or two of Pacific Coast points.

French Prisoner

Belbenoit, Devil's Island Escape, To Speak Here

Rene Belbenoit, famed as an escape from Devil's Island and author of two books, "Dry Guillotine" and "Hell on Trial," will be in Redwood City for three days beginning Saturday and will speak here twice, it was announced here by Frank Griffin, head of Sequoia High School's physical education department and an acquaintance of Belbenoit.

Arriving here Saturday, Belbenoit will be a house guest of Griffin over the weekend, then will speak before a high school assembly Monday at 2:30 and at a public meeting that evening at 8 in Sequoia High School Auditorium. A charge of 30 cents, including tax, will be made. The talk is being given under auspices of the Block S Society of the school.

Shortly after leaving Redwood City, Belbenoit will go to Texas where he faces trial on a charge of entering the United States illegally. He is free on bond pending his hearing. To enter Texas, he swam across the Rio Grande near Brownsville. He had been deported from this country in January, 1940.

The famous Frenchman, for whom wide sympathy has been shown throughout the country, is literally a "man without a country," being unable to return to his homeland or stay legally in any other country.

Griffin's acquaintance with him dates back four years till shortly after Belbenoit escaped from the notorious prison. In 1937, Griffin on one of his many trips visited Devil's Island. Later he wrote to Belbenoit and has since corresponded with him.

Belbenoit now is engaged in writing a third book, "Endless Journey."

Today a serious weed pest in many states, the Russian thistle, came to America in 1874 in a shipment of flax seed.

Toastmasters Use Broadcast Technique

Redwood City Toastmasters Club had lessons in radio broadcasting technique Monday night when speakers delivered their talks into a microphone placed in an adjoining room. Members heard the talks reproduced in loudspeakers.

Speakers were James P. Hagan, "What Has Become of the Glasseyed Banker?"; Ray Wimer, "Science Enfolds Color"; Raphael Canete, "Man Made Wonder," and W. Earl Whitaker, "A New Day."

Donald L. Bogie was chairman. Guests included Andrew Spinas, Donald Brown and Louis Folsom.

Double or Nothing

What's Sarong With Mural Care? Or Who Knows What It's About?

BY LORRAINE WHITTEMORE

Those kids at Sequoia High School are having so much fun getting ready for "Double or Nothing," the play they'll produce this coming Saturday night, that you can't even get a decent interview out of them.

"But you should see the dean's wife in the play! First she has on her own clothes. Then a sweater. Then we wrap a sheet around her—like a sarong, you know?"

The youthful press agent in front of me slanted up laughing eyes to see if I understood.

"Then we put an old pair of corsets on her . . . and fold up some more sweaters and pin them where—well, where they make curves. Then the costume. The effect is—simply amazing. We really have to drag her out on the stage. She's afraid to be seen."

THEY HAVE A CEILING

"And what time did you say it would start?" I asked forbearingly.

"Oh, 8:15 o'clock Saturday in the Sequoia auditorium. But you should see the settings. They're antique, you know. Middle Western. And the chandelier is wonderful. It's an old monstrosity."

"And we're having a ceiling," she added impressively. "First time in history that Sequoia Players have had a ceiling for one of their plays."

"I suppose you built the ceiling to hang the chandelier from?"

"Why, yes," she answered seriously. "Ray — he's the boy in charge of the sets, you know—he has an affinity for chandeliers."

BLIND STAIRWAY

"Oh." I started to ask how much the tickets were, but her infectious giggle was too fast for me.

"And a couple of the kids—they're supposed to go upstairs, and they do—but the stairs end right behind the curtain. So they have to just stay up there and sit all the time . . .

"And once it was so funny—one of the boys in the play is supposed to act fresh and act like he was going to kiss one of the girls. But the landlady is supposed to come in just then and interrupt them. Well, the other day she got so interested watching them that she forgot to come in. They were So Embarrassed. But the director said . . ."

"The production itself is the West Coast premier of 'Double or Nothing,' isn't it?" I inquired in what I hoped was a tactful change of subject. "How much did you say the tickets were?"

"Yes, it is. Tickets are 40 cents. And tax. But it's awfully funny in another spot, too. See, the movie star's name in the script was Carol Muir, but that wasn't glamorous enough. So we had a contest and now her name is Sandra Lake. But everyone in the cast gets it mixed up all the time and call her Carol Lake and Sandra Muir and Carol Sandra—just about everything you can imagine.

SUCH A MIXUP!

"Then the other day, one of the actors got all mixed up and started calling her Carol Muir. That mixed up another actor—and he mixed up another one. And there were all three of them calling her Carol Muir. And the director backstage was simply tearing his hair out of his head!"

She apparently didn't feel my silent sympathy for the director, for she flung back her own mop of corn-colored curls and started laughing again.

"Oh, yes, and we have two sisters in the cast—real sisters. And in the play they impersonate each other. Isn't that strange? One of them is the movie star—the play is so funny. They get the poor dean all mixed up. You see, the juniors are giving a dance and they invited a movie star to the campus, but . . ."

By this time she was well launched on the story and no one would have the heart to stop her. She was having too much fun.

Anyway, as she said, the play is amusing—and if the rest of the cast is half as enthusiastic and engaging as their little "publicity director," it should be fun to see.

In case you're interested, the time for "Double or Nothing" is 8:15 p.m. Saturday in the Sequoia Auditorium. Tickets are 40 cents plus tax.

For more details about the chandelier, you'll have to wait until after your Tribune play reporter attends the student matinee on Friday afternoon.

Personally, I don't feel I can afford to pass it up.

Navy Athletics Stress The Best of Sportsmanship

You wouldn't think that Uncle Sam's men who go down to the sea in ships would have much time for sports — but they do. The navy considers athletics to be an integral part of a well-balanced naval life. Frank Griffin, director of physical education of Sequoia High School, explains how the navy teaches teamwork, individual resourcefulness and good sportsmanship, based upon his recent Summer trip to San Diego naval and marine bases.

"Nearly every popular American sport is played in the navy," says Griffin. "There are football, baseball and basketball teams. Boxing, wrestling, track and field and swimming meets are enjoyed. Every ship and station has an officer in charge of athletics. He, in turn, has several assistants. All work together in producing winning teams, building competitive spirit between ships and fleets."

To play on navy teams, a man must be physically fit for every contest. Boxers and wrestlers are examined carefully before every match to make certain they are "in the pink."

Each ship has its own baseball and football teams and when a ship comes into a naval base a series of games are arranged with the teams of other naval units. Spirit runs high and rivalry is keen.

During baseball season, when the ships are at anchor at sea, the sailors rig up large nets on deck and stage batting practice just as easily as if they were on a baseball field. Some bluejackets even take their golf clubs along and practice driving into the nets.

"Healthy athletic competition puts a never-say-die spirit into the men," adds Director Griffin. "It tends to develop efficient units, just as it welds unity in high schools and colleges. It develops an esprit de corps that is remarkable."

Griffin recently ran across an excerpt from the Battle Fleet Athletic Rules reprinted in the U. S. Navy Bluejacket's Manual.

"It could well serve as a guide for our own school and town," he said.

It reads as follows: "The commander-in-chief desires to urge upon all that athletic competition, unless it is characterized by clean sportsmanship, free from any taint or suspicion of sharp practice, and free from any unfriendliness, is not the spirit of true Americanism, which is to play fair and give a square deal. Winning or losing, the main thing is to show yourselves good and clean sportsmen — modest winners if the breaks are with you and good losers if the breaks are against you."

Production of artificial butter in Japan has increased remarkably in recent years, the Department of Commerce says.

Charges Against R.C. Man Dismissed

PALO ALTO—Because of lack of evidence of actual sale from his wagon, the case against Louis Cassaretto, 621 Roosevelt Ave., Redwood City, who was charged with selling meat in Palo Alto without a license, was dismissed Wednesday by Judge John E. Springer.

Cassaretto was informed that the ordinance provides that all meat sales must be from a regular place of business. It is illegal to sell from a wagon.

The charge was filed against him last week, following complaint by neighbors of Miss Sarah L. Kimball, 945 High St., that Cassaretto had been delivering tainted meat to her home for use as cat food. Miss Kimball is a lover of cats and feeds large numbers of them.

QUITS TAX LEAGUE POST

MENLO PARK—E. M. Rankin, for several years chairman of the Menlo Park Taxpayers League, today resigned. In a letter to Bruce Huggins, vice chairman, Rankin said increasing business obligations "have compelled me to tender my resignation."

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

for Coughs, Chest Colds, Bronchitis

Red Cross

Junior Drive Is Success

With the Red Cross Roll Call getting under way today in Redwood City and vicinity, it was disclosed by Supt. Andrew Spinas of the elementary schools that the Junior Red Cross campaign just completed had been eminently successful.

JOIN RED CROSS

"Enthusiastic response to the appeal of the Red Cross by the younger members of the community has resulted in virtually 100 per cent membership in the Junior Red Cross," stated Spinas, chairman of the Junior Red Cross drive.

"These juniors take their responsibilities seriously and do their share toward serving the community. Working with the high school group they recently folded and mailed $30,000 worth of Christmas Seals for the annual drive.

"Also they contributed their share in the recent campaign for buttons for a garment project. During the year each classroom packs a small carton with items needed by other children in other lands. Recently one of the classrooms received a box in return. It came from some school children in Alaska and contained small objects of hammered copper and little dolls."

In referring to the success of the Junior Red Cross membership drive, Superintendent Spinas pointed out that each school had a teacher-advisor who worked on the drive. At Garfield it was Mrs. Bloomquist; Central, Miss Hall; John Gill, Mrs. Crawford; Lincoln, Miss M. Fox, Mrs. Thorpe, and Miss Salmon at McKinley and at Washington, Mrs. Hildebrant. The roll call drive at Mt. Carmel was handled by Sister Superior Joseph Marie.

EMERALD LAKE AREA HOUSE CANVASS SET

For the first time in history of Red Cross roll calls in Redwood City, according to Drive Chairman Wayne R. Millington, the Emerald Lake district will be thoroughly canvassed this year. Millington said that Charles Padgett and a group of volunteer workers had offered to canvass the area.

The Department of the Interior has issued a new handbook of the law as it pertains to the rights, privileges, protection and responsibilities of the American Indian.

Honore' Books Local Starlet

"Sugar Dawn," world's greatest young equestrienne, will appear on the Sequoia Theater Stage Saturday.

This has been a week of local celebrities and personal appearances in Redwood City theaters. First it was the appearance of Billy Cook at the Redwood Theater and now Manager Hal Honore' of the Fox Sequoia Theater announces the personal appearance of little "Sugar" Dawn in conjunction with the first local showing of any of her pictures.

"Sugar" has been seen from time to time in parades locally but this marks her first "personal" appearance in a Fox Theater on the Peninsula.

She has made many appearances in the state, however, and is just completing a new Western feature for Monogram Studios.

In this instance, due to the fact that Saturday is her birthday, "Sugar" would like to have Redwood City children come to the theater in western costume to add to the spirit of the occasion.

Joseph DeGeller Enters Real Estate Firm Here

Joseph A. DeGeller, former manager of the Montgomery Ward Co. store here who returned to Redwood City last June to live because he "had to come back, for the Peninsula is the only place to live," announced today he had become associated with Frank A. De Patta in the real estate business.

DeGeller, who lives with his wife and son, Don, Sequoia sophomore, at 250 Arlington Rd., managed the local store for 2½ years up to 1939, when he was transferred to Nampa, Ida., then later to Tulare, where he stayed 1½ years before retiring from his firm, with which he had been employed 12 years. Previously he had been in charge of the piece goods department for Hale Brothers nearly 13 years.

Young Democrats Urge National Unity

SAN MATEO — San Mateo County Young Democrats have passed a resolution urging all organizations throughout the county and state to "forget factional differences and unite in the common bond of national unity."

The Young Democrats' board of directors, meeting in San Mateo, also ordered an invitation sent to county, civic, service and political organizations, asking them to send representatives to a future meeting to discuss possible ways to bring about a better unity throughout the county.

A defense committee, headed by James J. Kehoe, was set up. Other members are Ed Kingsley, Frank Coggburn, H. McCue, Mrs. R. M. Bradley and Nick Diamond.

Alaska's flag is eight gold stars on a field of blue.

60,000
CALIFORNIA HOUSEWIVES
COOK ELECTRICALLY

Mrs. Thomas said to Mrs. Brown:
"Doesn't your electric range cost quite a bit to operate?"

Mrs. Brown replied:
"That is something I never think about. We use electricity for many services in the house and use a lot of it. I have never thought of cooking just by itself. I know it cannot be very much."

Mrs. Brown is like many housewives who cook electrically. When she added an electric range to her many electric servants in the home, her electric bill did not take an expensive jump. The reason is that the cost of electricity drops as more and more kilowatts are put to work.

In the average home electric servants sweep rugs, refrigerate foods, toast bread, mix cakes, bake waffles, brew coffee, give entertainment, tell time, light all rooms, wash and iron clothes and perform many other odd jobs. To cook electrically is a logical and economical next step. The electric range operates on the lower and cheaper rate blocks of electricity. THAT is the big reason why average monthly operating cost of electric cooking for 60,000 P. G. & E. customers is only $2.33.

You can cook three meals a day on an electric range for an average of 7¾ cents a day. That is less than 3 cents per meal. Or if you use the thrifty deep-well cooker on a modern electric range, you can cook a wholesome big dinner for 2 cents. No matter what fuel you use...THAT is low-cost cooking.

It is just human to think of the total amount of the monthly electric bill as ALL cooking. But electricity does many things in the home. Cooking ALONE...by itself...is only one part of the electric bill.

Look at These Savings, too, that an Electric Range gives you!

It's automatic. You set temperature and time controls and cook an entire meal, even though you have gone to town shopping, miles away. It's clean. Automatic cooking eliminates the need for last minute frying or rush boiling that fills the kitchen with grease and steam. That's why electric cooking saves kitchen drapes and painted walls and cabinets.

It saves food money too. Vegetables are prepared with waterless cooking. Meats cook at low temperatures to tenderize less expensive cuts and hold in flavorful and healthful vitamins.

Switch to Electric Cooking for Economy and Convenience.

With other costs of living rising electricity is as cheap as ever. The new electric ranges use it sparingly. They are not high-priced to buy now. You will find just what you want priced to fit your purse and budget. You can still buy on installment terms. See your dealer today about a new electric range. Once you use an electric range you will never want to cook on any other type of stove.
